Conversations with the Council

We Need Your Voice!

Are you an adult with an intellectual/developmental disability (I/DD), or a parent/family member of a person with I/DD?

We want to hear from you!

The Idaho Council on Developmental Disabilities wants to hear about your experiences accessing the services and supports you need to live the life you choose.

The Council is hosting webinars on the topics of: Abuse, Direct Support Staff, and Leadership and Accessing Technology.

Join us!

Date: June 19, 2020

Topic: Abuse - We want to learn and hear from you about what information you need to understand signs of abuse, how to report abuse, and how to protect yourself and others from abuse.

Time: 1:30-3:00 pm (Mountain)

Every five years the Council seeks for your ideas to decide what work we will do to improve the lives of those with intellectual/developmental disabilities and their families.
