WE NEED YOUR VOICE

The Idaho Council on Developmental Disabilities needs to hear from YOU!

Every five years the Council seeks for your ideas to decide what work we will do to improve the lives of those with intellectual/developmental disabilities and their families.

LET YOUR VOICE BE HEARD!

Your ideas will help guide our work to support people with I/DD to be included and meaningfully participate in all aspects of life.

The survey is anonymous and is available online in English and Spanish until June 30, 2020. This survey will take about 20 minutes. English survey: https://bit.ly/5YR-EN or Spanish survey: https://bit.ly/5YR-ES

If you need help with the survey, or would like a paper copy of the survey, call 208-334-2178, or email info@icdd.idaho.gov.

Our Mission

To promote the capacity of people with developmental disabilities and their families to determine, access, and direct the services and/or support they need to live the lives they choose, and to build the communities ability to support their choices.
